who benefits?

THANK YOU FOR GIVING BACK!

The Cincinnati International Wine Festival is a nonprofit organization founded to raise funds for local charities supporting the arts education health and human services while promoting the wine industry. **Through these events and your participation the wine festival has granted more than \$8 million to the Greater Cincinnati community since 1991.**

To learn more about how your support of the wine festival directly impacts these organizations read their stories at winefestival.com/beneficiaries.

honorary chair

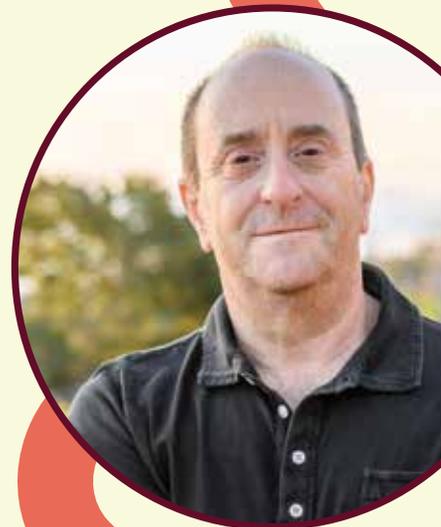

JOHN GIANNINI

John Giannini, this year's Honorary Chair of the Cincinnati International Wine Festival, is a California native with more than 15 years of experience crafting premium cabernet sauvignon in Napa Valley. Trained in general viticulture at Napa Valley College, **he brings both technical expertise and deep family-rooted passion for wine—first inspired by his Italian father and grandfather.**

Before joining Mount Veeder Winery as winemaker, John spent 12 years at Outpost Wines working alongside renowned winemaker Thomas Rivers Brown. There, **he managed up to 70 fermentations a year** across cabernet sauvignon, cabernet franc, zinfandel, pinot noir, chardonnay and sauvignon blanc, contributing to multiple 100-point Schrader Cellars wines.

At Mount Veeder—rising 1,000 to 1,600 feet above Napa Valley—he collaborates closely with Director of Vineyard Operations Blake Wood to understand each vintage's unique challenges. **He's energized by how mountain wines develop structure and intensity.**

As the winery celebrates its 50th anniversary, John is committed to capturing the rugged character of this high-elevation appellation. **Festival-goers will taste the results in his expressive, mountain-grown wines.**
